The Place That's Different

NORFOLK, VA.

As to Pronunciation.

The other day The Chronicle heard a young woman pronounce it "auto-mob-ile," and felt sorry for her ignorance. But she was right and the great majority of the people who pronounce it "auto-mob-ile," are wrong. This is the contention of Maj. Wm. H. Bernard, the old Wilmington Star man (not old man, mind you), who explains the matter in The Fayetteville Observer. He says the word "automobile" is composed of the Greek auto and the good old English word "mobile," and the correct pronunciation is au-to-mo-bil, with the accent on long sound of o in "mo" and with the short sound of i in "bil." To express it a trifle more plainly, the word is pronounced just as if it were spelled "auto-mow-bile." The error, says Major Bernard, "is confined to no particular class. It prevails in the literary clubs as well as in the humbler circles of the uneducated; and now that the word is in such common use it is time to call a halt on 'automob-ile,' for which there is no more justification than up this way, those who are able to own one are in the habit of referring to it as 'my car.' As anybody can say 'car,' it might be well for that to be adopted as the bile. But then there would be still one trouble left. What are you going to do about the shoffer?—Charlotte Chronicle.

"Generally debilitated for years. Had sick headaches, lacked ambition, was worn-out and all run-down. Burdock Blood Bitters made me a well woman."—Mrs. Chas. Freitoy, Moosup, Conn.

A Chinese laundryman in Oakland, California, recently had his troubles with a watch that habitually lost time. So he took the time-piece to the nearest watchmaker. "Watchee no good to Charlie Lee," said he, briefly, pushing it across the counter. "You fixee him, eh?" "Certainly," said the watchmaker. "What seems to be the trouble with it?" "Oh, him too muchee by 'n' by," said Charlie Lee.—Harper's Weekly.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Scotland Neck People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy. Doan's Kidney Pills, which has cured people right here in this locality.

Joseph Savage, Church St., Tarboro, N. C., says: "For some time my kidneys were disordered, the passages of the kidney secretions being scanty and painful. I had pains across my loins and if I stopped suddenly, sharp twinges caught me across my back, making it hard for me to straighten. After taking a number of remedies without finding relief, I procured Doan's Kidney Pills and began their use. They removed my aches and pains and regulated the passages of the kidney secretions. I am pleased to recommend Doan's Kidney Pills in return for the benefit I have derived from their use."

Senator Overman.

Senator Lee S. Overman, of North Carolina, is fast developing as a great leader in the United States Senate. The Washington Times of recent date says of Senator Overman:

"A new Democratic leader is developing in the Senate. This is Senator Overman, of North Carolina. He has figured more prominently during the last two months than any Democrat on the floor. That is to say, he has obtained more results."

"It was he who a few weeks ago initiated the filibuster against the Lodge resolution asking for \$65,000 with which to pursue the cost of living inquiry. He convinced his Democratic associates that the movement of the Massachusetts man was destined to provide the Republican party with campaign material. Before filibuster had proceeded ten days, Senator Lodge withdrew his bill."

"The latest legislative achievement to the credit of Senator Overman with his success in putting through the anti-injunction amendment to the railroad bill. This prohibits the Federal courts from interfering with the judgments of State courts without due notice and a hearing. This resolution was presented as a surprise and its adoption was a complete shock in some quarters."

"Just now when the Democrats are looking for a floor leader to succeed Senator Money, who is to retire next March, Overman looms up big. This is true in spite of the prominence of Senators Bailey, Rayner and Bacon, all of whom are discussed for the floor leadership of the minority."
